Subject: A COMPLAINT AGAINST SHAIFU SEIZURE OF PROPERTY

I have the honour to write and complain that it was on the 23-02-2000 Shaifu came to my compound and told my wife and children that Chief Judge wants to see me and my cattle.

According to my wife and children, they deceived them that the chief judge needs me and all the cattle so that he can see them and then they will be taken back. My children went and saw somebody whom he called his name as Alhadji Baba. He told my children that he has come to killed Clement and take his cattle. He was accompanied by the following people: Alhadji Sule, Alhadji Jaja and his Ranch Manager.

As these group of people took 30 cattle from my compound in my absence, as they were coming back they met me on way going to my compound, Alhadji Baba jumped down from his horse and gave me a slap on my jaw and asked me sleep down, as I did he removed a gun from his bag and was threatening to shot, Alhadji was defenting/^{that} he should not kill me. As they saw/^{my} child running and coming to where I was sleeping down, they left and went away.

He Alhadji Baba told me that he has made documents in Douala and Yaounde that he is coming to kill me in Wum. Sir attached is the photo copy of the report I made to the authorities for that action.

Sir, I am the father of so many children that leave out of this cattle and I sponsored my children in schools both primary and secondary, now that these cattle has been taken by Alhadji Baba, I am at a point of death. There is now means for me to live with my family.

I would be grateful if you will help me out of this trouble to enable me have my cattle back.

Yours Sincerely
CHU CLEMENT.
