- 2. THE LEGION COMMANDER NwP

Reference is made to the matter captioned herein above in which the High Court Mezam at Bamenda delivered it's Ruling on 13/05/2002 in the suit cited above and ordered the release on bail of the Applicant (Ousman Haman) in the of 1.000.000 francs with a security which should be provided property within the jurisdiction. Counsel for the applicant by a correspondence emanating from BARMI-NJOH CHAMBERS dated 15/05/2002 has contended that despite the Ruling of the Court granting bail to his client, the said Ruling/order of the court has not been implemented/executed.

These Chambers has been served with a copy of the said ruling. The practice directives of the Law Courts of this Province are that all Court Orders/Rulings of Judgments shall be executed until there are set aside by an Appellate Court and it is the duty of the Procureur General and the State Counsel to lend support and assistance where so required by law in the enforcement of any such Orders/Rulings and Judgments.

In the light of the above, you are accordingly requested to implement the Order/Ruling, so contained in Suit N° HCB/66CRM/01/02, by releasing the applicant (Ousman Haman) as he has been granted bail by the said Mezam High Court.

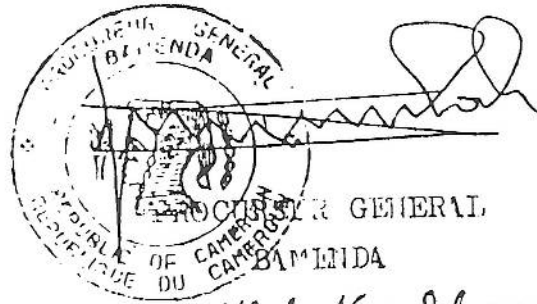

You shall thereafter keep me informed of the situation of your investigation since it's commencement some days ago.
